ABOUT US

What is Creation Ministries International Ltd.?

Creation Ministries International Ltd. is an independent, non-profit, non-denominational organization, controlled by Christians in the fields of science and education, committed to researching, developing, and promoting Christian creationist materials, and Christian school texts and aids. Our work is based on acceptance of:

1. The Bible is the written Word of God. It is divinely inspired and inerrant throughout.
2. The final guide to the interpretation of Scripture is Scripture itself.
3. The account of origins presented in Genesis is a simple but factual presentation of actual events and therefore provides a reliable framework for scientific research into the question of the origin and history of life, mankind, the earth and the universe.
4. Scripture teaches a recent origin for man and the whole creation.
5. The great Flood of Genesis was an actual historic event, worldwide (global) in its extent and effect.
6. The special creation of Adam (as one man) and Eve (as one woman)

and their subsequent fall into sin, is the basis for the necessity of salvation for mankind (and thus for the Gospel of Jesus Christ).

7. The scientific aspects of creation are important, but are secondary in importance to the proclamation of the Gospel of Jesus Christ as Sovereign, Creator, Redeemer and Judge.

Please note that in all of this, we openly proclaim that our work is centred around Jesus Christ. We are convinced that the real needs of men and women can only be met by reconciliation to God through faith in and commitment to Jesus Christ the Creator, as Lord and Saviour.
